Week 3 (October 4)

God doesn't want us to sin Genesis 3

Key Verse:

Love the Lord your God with all your heart and
with all your soul and with all your strength.

Deuteronomy 6:5

Song: *It Was Good*

On the first day, God made light! And on the first day, God made night.
On the first day, God made light. And God saw it was good!

On the second day, God made the sky, way above our heads, oh so high!
On the second day, God made the sky. And God saw it was good!

On the third day, God made the land and trees and plants, just as he'd planned.
On the third day, God made the land. And God saw it was good!

On the fourth day, God made the sun and the moon and stars... he made every one!
On the fourth day, God made the sun. And God saw it was good!

On the fifth day, God made fish and birds, the little swimming fishies and the
flying birds.

On the fifth day, God made fish and birds! And God saw it was good!

On the sixth day, God made man and all the animals on the land.
On the sixth day, God made man. And God saw it was good!

On the seventh day, God took a rest. He looked around and called it blessed.
On the seventh day, God took a rest. And God saw it was good!

Activity: Whole Heart Art

Materials: Heart sheet (with your name!!)

Watercolors or Crayons or Colored Pencils or Markers

Instructions:

- Trace your name with a pencil or marker. When you write your name in the middle of the heart, tell God he has your whole heart.
- Decorate your heart with watercolors or crayons or colored pencils or markers.
- Share your Whole Heart Art with your family and tell them that God wants us to make good choices, and one of the best choices we can make is to love God with all our heart.

Activity: Bubbling Over with God's Love

Materials: Bubbles (included)

Instructions:

- Blow bubbles. Lots of bubbles. Blow little bubbles. Blow big bubbles.
- Look at the bubbles - each one looks a little different. Maybe it has lots of color in it or maybe it is almost clear. Maybe it floats slowly, maybe it flies away fast. Just like the bubbles, God created each of us uniquely.
- When you blow your very last bubble, "fill" it with a prayer as you're blowing. Watch it float up and away. The bubble may pop, but your prayer goes straight to God's ears.

The Lord's Prayer

Our Father, who art in heaven, hallowed be thy name, thy kingdom come, thy will be done, on earth as it is in heaven. Give us this day our daily bread; and forgive us our trespasses, as we forgive those who trespass against us; and lead us not into temptation, but deliver us from evil. For thine is the kingdom, and the power, and the glory, forever and ever. Amen.

Closing Prayer

Dear God, *(fold hands in prayer)*

I know you want me to make good choices *(give a thumbs-up)*

And talk to you in prayer. *(place hand by mouth; then make praying hands)*

I'm happy I can talk to you anytime, *(turn in a circle)*

And anywhere. *(spread arms wide)*

Thank you for helping me make good choices *(nod head and smile)*

To stay away from sin and wrong. *("push" something away with your hands)*

I love you, God, with all my heart; *(fold arms over chest)*

I love you all day long. *(spread arms wide)*

In Jesus' name, amen.
